## MONTANA STATE FIRE CHIEFS ASSOCIATION BOOKSTORE TO COMBINE WITH WESTERN FIRE CHIEFS' ASSOCIATIONS FIRE SERVICE BOOKSTORE

– July 1, 2010 – The [Montana State Fire Chiefs' Association](#) Board came to an agreement during their February Mid-Winter Meeting in Bozeman to end the Montana State Bookstore and sell remaining inventory to the [Western Fire Chiefs' Fire ServiceBookstore](#). The agreement benefits the Montana State Fire Chiefs Association and the Montana Fire Service through a share-back plan already set in motion by the Fire Service Bookstore. The MSFCA Board feels the Fire Service Bookstore can serve the State of Montana well and help streamline purchases. For your future book purchases, large or small, please visit [fireservicebookstore.com](http://fireservicebookstore.com) or call (800) 342-2034.

The [Montana State Fire Chiefs' Association](#) is a blend of career, volunteer and combination fire chiefs working to bring the Montana State Fire Service together. The MSFCA holds a bi-annual Chiefs' Conference offering state of the art training and speakers.

The [Western Fire Chiefs Association Fire Service Bookstore](#) is a non-profit entity – all proceeds benefit State Fire Service Organizations. Books are available on-line or by phone by speaking with their friendly staff.
